Hi Mike,

Per our discussion, I responded to Katharine Moore, staff to the CA Senate Natural Resources and Water Committee, indicating that it would be helpful to have a joint call with EPA and DOGGR to discuss any questions she has about EPA's December 22nd UIC letter to the State. She indicated she will coordinate with DOGGR to get a call set up. My understanding is that she has spoken to DOGGR/DOC in the past (Bohlen, Reeves, etc.), but you may want to give them a heads-up that this inquiry is coming.

Thanks,

David
